

Mounting Plate SP8

This plate allows a modem to be screwed to a cabinet. The plate is first attached to the modem using the screws which hold the modem together; the plate/modem is then screwed to the cabinet. This plate mounts the following product.

- OPTEL1
- OPTEL2
- ROUTE-10

Dimensions (H*W).....3.4" x 4.1"
Previously calledSP-OPTTEL1

OPTEL1 with SP8 mounted
